- Documents indicating costs of providing security at event (such as overtime)

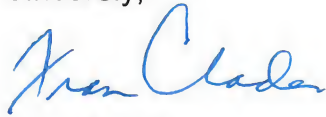

- All policies that governed response to the demonstration, such as policies for use of force, demonstrations at the capitol, and mass casualty response plans
- Communications between CHP and the National Lawyers Guild regarding the demonstration

The Department is determining whether you seek copies of disclosable public records in the Department's possession. Accordingly, the Department is extending its 10-day response timeframe by an additional 14 days, as authorized by Government Code section 6253, subdivision (c).

On or before **Monday, July 25, 2016**, the Department will notify you of its determination regarding your request. If you have any questions related to the content of this notification, please direct them to this office.

Sincerely,

F. CLADER
Director of Communications
